The Ocean Beach Historical Society Presents:

SOHO

OVER FOUR DECADES
OF HISTORIC PRESERVATION

Thursday, Nov 18th, 7 p.m.
At the PL Methodist Church, 1984 Sunset Cliffs Blvd.

Our OBHS November program will delve into the importance of historic preservation with Save Our Heritage Organization (SOHO) and the work they have done for over four decades in San Diego County

The SOHO program will include a compelling documentary film by Dan Soderberg about SOHO’s pivotal role as seen in its saving of architectural icons and the importance of future historic preservation.

San Diegan Soderberg, spent nearly a year interviewing SOHO members and staff for the documentary. Also, he researched the group’s four decades of achievements through archives, libraries and hundreds of photographs. “There is no one SOHO story. There are many stories and all of them are compelling,” Soderberg said in an interview. “SOHO people tend to devote every ounce of their being to the cause, so it was a challenge to pick the stories to tell.”

Please join us in learning about many of the dedicated historians in San Diego at our Nov. 18th meeting.

Dear Ocean Beach Historical Society membership and donors:

What a great year we've had thanks to all our fabulous members and donors. We've been able to have some large events because of your interest in preserving the history of our wonderful community. In this time of economic hardship we are so very grateful for your generosity. Our archive continues to grow as does our reputation as a real asset to Ocean Beach.

I wish all of you a wonderful holiday season and a healthy and happy 2011.

—Stephanie I. Greenwald, OBHS Director for Membership & Programs
