PRESERVE O.B.'S HISTORY Through CONTRIBUTIONS!

The OBHS Archives was founded to preserve the history of Ocean Beach and the peninsula. OBHS Archives Room is on the top floor of the Water's Edge Community Center.

ARCHIVE COLLECTION INCLUDES:
Photos, maps, books, papers, newspapers, letters, artifacts and an extensive biography index with San Diego City Directories from 1926 to 1984 (which list people, their addresses, their spouses & occupations). Dedicated volunteers assist with processing and organizing incoming materials.

ARCHIVES DONATIONS ARE WELCOME

Many people believe that their lives are of no interest to others, but they are! Unfortunately, after a family member's death, important history is lost when photos, house plans, business and organization records, and family papers end up in the trash. Photos are historically crucial because people's shots depict their activities and customs, homes and buildings, and dress. Without records of O.B. buildings, we lose links to the past when the buildings vanish, or their functions change.

Likewise, when the cliffs erode and scenery changes, it needs to be documented. OBHS Archives' donations provide an invaluable window into O.B.'s past.

When donating photographs to the Archives, please remember to:
RECORD THE DATE AND IDENTIFY THE PEOPLE AND PLACES.
Reluctant to give up your photos or papers? Our Archives' staff would be happy to copy and safely return items to you with your permission to use the materials.

Preservation work often needs support and supplies.

1970s Era Street Photologs

DO YOU REMEMBER THE HOMES AND BUSINESSES FROM THE 1970s?

The Digital Archives of the San Diego City Clerk's Office includes this unusual collection of what they called *Street Photologs*. The images were snapped ten seconds apart driving down many San Diego Streets. OBHS has reproduced quite a few of these with period music soundtracks.

Is your home in these Photologs?

**OCEAN BEACH'S
HISTORIC CHURCH ROW'S
Waters Edge
Community Center
(Point Loma United Methodist Church)
SAVED!!!**

*A recent OBHS program (above) attracted another large crowd, filling the sanctuary of Water's Edge Community Center. Ocean Beach Historical Society's Monthly Series of Free Programs, is in its 31st season, For a century, Sunset Cliffs Boulevard, the main throughfare in Ocean Beach, has been known as *Historic Church Row*. These churches are all still standing, and fortunately will be for years to come, including Water's Edge Community (formerly Point Loma United Methodist Church). Many important community organizations, including the Ocean Beach Historical Society, have used Water's Edge for decades. Kudos to the United Methodist Southern California Convention for interceding to prevent the destruction of this Ocean Beach community landmark. We are thankful for the reprieve from losing our use of the church building. Water's Edge is home to important organizations that love the wonderful building, and look forward to doing good for the community for decades to come.*
